

Assignment-1

Name: Anudeep Vattikuti

The screenshot displays the pgAdmin III application window. The title bar reads "pgAdmin III". The menu bar includes "File", "Edit", "Plugins", "View", "Tools", and "Help". The toolbar contains icons for various database operations. The left pane, titled "Object browser", shows a tree structure of the database hierarchy. The right pane, titled "Properties", shows the details of the selected object, which is a table. The "Table" column lists "agents", "customers", "orders", and "products". The "Owner" column lists "postgres" for all four tables. The "Comment" column is empty. The bottom status bar shows "Retrieving details on tables... Done." and "0.00 secs". The Windows taskbar at the bottom shows the time as 7:32 PM on 2/4/2014.
